## Fundraising with Nectar of Life Coffee

Using Nectar of Life fresh roasted gourmet organic Fair Trade coffee is an excellent way to raise funds for your organization. Everybody loves coffee! For your [Coffee Fundraiser](#) we recommend using our 10oz packages. The recommended retail price is \$11.00/bag for regular blends and \$12.00/bag for decaf.; this gives your organization up to a 50%\* margin, or a 100%\* return on your investment!

### We have two options for your Convenience:

#### Option #1

Use our beautiful, full color hummingbird logo with your blend name (or ours, your choice.) You can pick from any of our fundraising blends. We can add information about your fundraiser to our blend description back label. With this option the minimum order requirement is only 12 bags!

#### Option #2

Completely custom front label with descriptive back label. With this option you provide us with your graphic or logo, and we make you a custom front label. If we don't have to develop a logo, or excessively manipulate the artwork we don't charge a setup fee. The minimum order requirement for this option is 36 bags.

Label Dimensions = 3.25"W x 4.00"H

**PRICING:** Option #1 Regular Blends = \$6.30\*/ea Decaf. = \$7.40/ea  
Option #2 Regular Blends = \$6.60/ea Decaf. = \$7.70/ea

**SHIPPING:** FREE to one location within the contiguous 48 United States for orders over 240 bags. For orders less than 240 bags we will charge actual FedEx Ground shipping charges.

## **More Information:**

**Order Forms:** If you would like to take pre-orders from your customers we can generate a [Coffee Fundraiser Order Form](#) for your convenience. We will provide 20 full color front and back order forms for free. For additional order forms we charge the following for printing a two sided order form: black and white \$0.40/ea and full color, \$0.65/ea. If you would like to print your own order form, we can provide you with a digital file to print, or a master to copy. If you would like a sample of an order form please call us at (509) 979-5245, or email us at [info@nectaroflife.com](mailto:info@nectaroflife.com).

**Private Label:** Our private label dimensions are 3.25"W x 4.00"H. Please provide artwork in digital format. Artwork should be either vector art or at least 300 ppi rasterized. If you would like us to create a logo and complete custom label additional art charges will apply.

**Orders will be fresh roasted after the order is placed.** Please have your payment ready and all shipping details finalized prior to placing your order. If you need promotional materials, or information about Fair Trade please let us know and we will be happy to provide them.

**FOREVER FUND -** We can allow your customers to purchase your fund-raiser coffee from our website. Your account will remain active as long as there are at least 10 sales/year. You will earn \$4.00/bag. You will be issued a report and payment every month (as long as there are active sales.)

## **Fund-Raising Blends:**

We have found the following four blends to be the most successful for fund-raising events. Nectar of Life Coffee offers many more blends and single origin coffees that may be requested for fund-raising. All coffees are certified organic and fairly traded.

**French Roast** - This is one of the most full-bodied French Roast coffees in the world! This blend is comprised of 100% shade grown, certified organic, Fair Trade coffees from Indonesia and the Americas. Roasted to the deep, dark, French Roast level, this blend is spicy, with a dark chocolate finish. Mix it with cream and sugar for a coffee that is out of this world!

**Happy Place** - A dark roasted blend of shade grown, organic, Fair Trade coffees from around the world. When times get hectic indulge in this exquisite, dark-roasted coffee, and you too can slip away to your Happy Place!

**Morning Dew** - This is the finest organic, Fair Trade breakfast blend on the market! Comprised of Indonesian and Central American coffees this blend is complex and robust. It is medium/dark roasted, and is so full of flavor it will knock your socks off!

**Morning Dew Decaf.** - This is the decaffeinated version of our ever popular blend Morning Dew. All the coffees in this blend were decaffeinated with organic water processes such as Swiss Water. This coffee is perfect for those who want the flavor without the jitters.
